

## CONTENTS

Chapter	Page
I Additive and Subtractive Color Synthesis.....	9
II Equipment for Making Separation Negatives..	20
III Separation Negatives—Characteristics and Processing .....	26
IV Introduction to Color Printing .....	33
V The Tricolor Pigment Processes.....	41
VI Chromatone—A Metal-Toning Process.....	64
VII The Neotone Process .....	76
VIII Imbibition Printing .....	80
IX Tricolor Bromoil Printing.....	96
X Tricolor Printing with Dye-Coupled Color Developers .....	99
Manufacturers and Distributors of Color Equipment .....	102
